

2013 Bullroast Report

On behalf of the members of the Board of the Shrine of the Little Flower Alumni Association, thank you very much for your participation in this year's Bull and Oyster Roast.

The Roast was a definite success! We surpassed previous Roasts in attendance and, as a result, in money raised in support of the Shrine.

There were 344 attendees at this year's roast, some 93 more than last year. Two of the reasons for that increase may have been a result of the three classes holding reunions at the roast, and also the change in venue from the Eastwind to Columbus Gardens.

Planning for next year's roast has started and we are working with Columbus Gardens to make it even better than this year's, and you can play a very significant part in seeing that happens. I would ask that if you have comments, negative or positive regarding the 2013 roast to send them to me via email at: snyder.charles@ymail.com. Your response could go a long way in helping us determine why the Roast was so well attended this year as well as indicating what we might have done better. Please include your name (along with maiden name if appropriate) and class year. For those of you who are not Shrine grads please include your school and class year. Last, please use the word "ROAST" as the title. This will help me weed out any spam. Naturally, should you wish to remain anonymous you may certainly do so.

Again, thank you very much and be assured that the money raised will be put to very, very good use, supporting the Shrine of the Little Flower Parish!

For the Board I offer our prayers and best wishes.
